Subject: Techalloy Aug 2014 Monthly Progress Report

John--I have reviewed the August 2014 Monthly Progress report for the Techalloy site in Union, IL dated Sept. 2, 2014.

I have no issues with this document.

Given that the "leading edge" sampling is to be done next month, Techalloy should be submitting a work plan for this sampling soon (probably should already have submitted it). Can you ask for this document?
